DEDICATION

We are proud and happy to dedicate the 1980 ROADRUNNER to Mr. Robert G. Clingenpeel who for 35 years has given understanding, unselfish service to the students of the New Mexico School for the Deaf. Mr. Clingenpeel, who became deaf at the age of six months as a result of complications during a bout with the flu, has served as a living model for the deaf and hard of hearing students who have been fortunate enough to know him and study under him. Getting a late start in his own education, he was finally admitted to a public school at the age of nine but made little progress until an alert school nurse was instrumental in having him admitted to the California School for the Deaf at Berkeley at the age of fifteen. Progressing by leaps and bounds, Mr. Clingenpeel went on to Gallaudent College upon graduation from CSDB. Completing his undergraduate program there, he went on to the Indiana School for the Deaf to work as a counselor/teacher for two years, and during that time, met and married his wife, Irene. A good patriot, he moved to California in 1943 to be a welder in the shipyards for the Navy in order to do his part in the war effort. In the fall of 1945, he came to Santa Fe as a teacher in the upper school at NMSD. Always striving to improve himself, Mr. Clingenpeel began taking college courses and received his master's degree from the University of New Mexico in 1950. In addition to being an outstanding teacher, he was an exceptionally good Scoutmaster for our deaf Boy Scout troops for many years. He was a recipient of the highest award the Scouts have to offer to their adult leaders, the Silver Beaver Award. Mr. Clingenpeel has always been active in associations for the deaf, professional organizations and community service groups such as the New Mexico Association of the Deaf, the Gallaudet College Alumni Association, the National Association of the Deaf, the National Fraternity Society of the Deaf and the NMSD Teachers' Association. He is also a Master Mason member of the Cerrillos Lodge #19, A.F. & A.M., a member of the Santa Fe Scottish Rite bodies and a Shriner.

Because he teachers us and we love it; because he's always there when we need him; because he has an admirable personality and because we love and respect him as a wonderful person, we are proud and happy to dedicate our yearbook to NMSD's own Robert G. Clingenpeel.
